   3. Athletic Committee Combined Meeting Minutes – May 10, 2016
   4. Policy Committee Combined Meeting Minutes – May 10, 2016

   Mr. Hatfield explained the rationale of why the Athletic and Policy Committees felt this policy should be eliminated. He thanked the Athletic Director for gathering data from the other NVL districts. Mr. Hatfield stated he didn’t understand why more coaches didn’t attend the combined meeting and stated better communication was needed. Mr. Stanek asked if Memorial Day was included in the discussion as he feels this is a holiday that should be respected and no games or practices should be scheduled on this day. Mr. Putorti said no holiday was singled out. Mrs. Syriac clarified all the coaches had been invited in a timely manner, there was no lack of communication, and if a coach decided not to attend the meeting that was their choice. She asked to share her thoughts regarding this policy. When Mrs. Syriac first brought this policy the Board of Education’s attention, it was due to the NVL requesting that our students play on Memorial Day. At that time she brought the policy to the attention of the Board of Education to request clarity on how to implement the
policy. Mrs. Syriac said “the decision to eliminate policy 6145.211 is a Board of Education decision, not mine however I feel I must share my point of view with the Board. Participating in sports builds character and offers many positive experiences for our students. I understand that. Over time in American culture sports have gradually colonized more and more family time, weeknights, weekends, schools breaks and now holidays.” She said “Seymour has a line in the sand with policy 6145.211 to not schedule athletic contests on holidays. Sports build character…when sports come first before academics, family and faith then that is not building the character I want for our children.” She said she understands the intent is for it to be the exception that events will be scheduled on holidays however she wanted to be clear that it is not her expectation that a member of the administrative team attend an event on a holiday if there is an event scheduled. She said this will be the administrator's choice/decision, not her expectation.

MOTION: (Mr. Hatfield/sec., Mr. Strumello) to accept the recommendation of the Athletic Committee and the Policy Committee to eliminate policy #6145.211 Interscholastic/Intramural Athletics - Scheduling Athletic Contests

AFFIRMATIVE: Mr. Hatfield, Mr. Kubik, Ms. Magri, Ms. Sobieski, Mr. Strumello
