FBLA is preparing for the competition which is quickly approaching. Students will be choosing what events they will compete in. Mr. Strumello asked if the swim season is long this year and Miss Sirowich confirmed it was.

B. Board of Education Report

1. Chairperson Comments

Mr. Strumello said there has been discussion downtown regarding moving Central Office to the high school. He expressed concerns about the safety of the students and how the building needed to be reconfigured so people visiting central office would not have access to the rest of the building. He asked the Board’s opinion about who should handle this discussion, should it be the facilities committee, the full Board, or the Chairperson? Mr. Garofolo suggested forming a small committee to discuss specific needs. There was also some discussion regarding the cost of the renovations. Mr. Stanek said he was in favor of this move and felt it was long overdue. He said he felt the Board should not be finding out about this through minutes. We should be collaborating on this and other issues. In the future, the Board of Selectman should let the Board of Education know. Ms. Harmeling asked if this was included in this budget year and she felt it should be a town expense.
Mr. Wilson said if the building is sold, the proceeds should come to the Board of Education.
Mr. Strumello said the minutes said $135,000 is set aside and that is not correct. Mr. Strumello said he has asked that Mr. Wilson put the items he will be discussing on his Superintendents report on the agenda. He felt this is a positive change.

2. Board Member Comments
Ms. Harmeling said she felt the Sports Hall of Fame was wonderful but wondered if there is any representation from the Board of Education on the committee. Mr. Roy said there is not. Ms. Harmeling said she felt there should be some representation from the Board and from the high school since they are putting this in our high school. Mr. Roy said there is no limit on who is on the committee. As long as they attend the meetings, they can make suggestions and vote. He said in fact they are always looking for new members and new ideas. Open to anyone; they do not need to be a resident or a Seymour graduate. The meetings are the first Monday of the month which conflicts with the BOE meeting schedule.

**MOTION:** (Mr. Stanek/sec., Mr. Hatfield) to add to the agenda a discussion regarding the Seymour High School Hall of Fame Class of 2018 resolutions

**SO VOTED**

**AFFIRMATIVE:** Ms. Bruno, Mr. Champagne, Mr. Garofolo, Mr. Hatfield, Ms. Harmeling, Mr. Kubik, Ms. Nesteriak, Mr. Stanek, Mr. Strumello

**MOTION PASSES:** 9-0

Mr. Stanek explained that the certificates are the resolution that is passed by the Board. Ms. Dauerty takes care of putting them in certificate form for the banquet. Ms. Harmeling asked about the wording and Mr. Stanek said he would share this with her. Mr. Hatfield said we have done this every year and he is in favor of doing this to bridge this gap. Mr. Strumello reminded the Board that it was not done for the class of 2018 because there was a concern about one of the recipients. The Board of Education decided not to give the certificates-resolution this year (class of 2018) because of this. Mr. Champagne questions why it was decided to skip the whole class if the problem was with just one person. Mr. Strumello said the BOE had the issue with an employee and did not want to give accolades to someone who didn’t fit the reasoning behind the honor. Mr. Roy explained that the criteria is achievement in high school; maybe a person is not stellar in life but should be recognized for their accomplishments in high school. He said he felt that class deserves the recognition from the Board of Education and asked the BOE to reconsider. Mr. Hatfield felt that the resolution doesn’t do any more than to compliment the inductees. Mr. Stanek said he agrees with Mr. Roy. Mr. Roy said Mr. Lang never played sports in school but was given a special recognition for the contributions he has made to the athletic community of Seymour.

**MOTION:** (Mr. Stanek/sec., Mr. Hatfield) to recognize the Class of 2018

Ms. Harmeling said the decision was made and now less than a year later we are going to change it? She reiterated that plaques should not be going up on the wall in our high school without input from the BOE and the administration of the high school. There was some discussion regarding how other schools handled their hall of fame. Mr. Freund said there are plans in the works for an academic hall of fame also. Ms. Bruno said she would like that extended to the arts also. Ms. Bruno said she has concerns about revisiting the decision regarding the class of 2018 with no new information or having the information from the time the decision was made.
Mr. Stanek said it was not a vote; the chairperson at the time made the decision. Mr. Hatfield had done some research and found that the hall of fame was discussed at an athletic committee meeting in August, 2010 and must have been approved sometime after that. Mr. Hatfield made a motion to postpone the discussion on the class of 2018 until the March 2nd BOE meeting.

No second was made.
