

November 20, 2020

Dear Families,

We hope that this message finds you all safe and well. As you may already be aware, at the November 2, 2020 Board of Education meeting the Board approved making several additional Wednesdays early release days for our students. This decision was made specifically to support additional planning time for our teachers to address the challenges of education during this health pandemic. We are pleased to share that this additional teacher planning time will be used in a variety of ways that will help our staff plan and prepare lessons to be delivered both remotely and in person, and to address individual student needs.

Please refer to the updated district calendar on our website for the most current, accurate school calendar. Thank you.
