1	Expectations, have a 3 minute grace period for late students.	11/11/2020 9:08 AM
2	it is hard for me to focus	11/10/2020 5:59 PM
3	We shouldn't have to use cameras or microphones because some kids don't live in good home environments	11/10/2020 11:59 AM
4	No because its hard to balance those to things online school and regular	11/6/2020 2:25 PM
5	I think there should be less penalty to being late due to connection error.	11/6/2020 12:02 PM
6	Kinda of.	11/6/2020 10:03 AM
7	In person is extremely more effective than at home	11/5/2020 10:43 AM
8	hybrid is hard, yes but I feel like the expectations are too much as we HAVE to have our camera on its very uncomfortable.	11/5/2020 8:01 AM
9	I don't think the expectations should be held at the same degree as if we were in school full time. I think this is important because many students, including myself, have learning issues. This makes it more difficult to understand many concepts through a screen.	11/5/2020 7:43 AM
10	Some things are too hard	11/4/2020 5:33 PM
11	They give a lot of homework like we have more time because we're at home	11/4/2020 9:02 AM
12	There are constant issues on both sides	11/4/2020 7:24 AM
13	At school if you need help, the teacher is there to help. On remote days we have to do everything.	11/3/2020 7:25 PM
14	having to respond every time time the teacher speaks or getting marked abcent or if you join mid google meet your still marked absent even if you were doing work	11/3/2020 2:54 PM
15	There are many things online that can go wrong that is out of your control. I personally have had many issues concerning my work due for school, and am simply expected to do it when I cannot due to issues online.	11/3/2020 1:59 PM
16	the whole "if you're not a distance learner, you're marked absent if you stay home on your in person day" is kind of weird; i don't think you should need to be registered as a full distance learner to do learning from home because if you feel sick or if you are worried about covid it should not be a process to just stay home	11/3/2020 1:56 PM
17	I feel that the learning expectations should not be the same because the level of teaching is not the same. It is less then in previous years so how are we expected to be at the same level of knowledge gained when there is less knowledge being given to us in most cases.	11/3/2020 1:55 PM
18	Teachers should be more lenient.	11/3/2020 1:19 PM
19	If we miss something it is often hard to ask for help	11/3/2020 1:19 PM
20	I shouldn't be told I cant use the bathroom if im in my own house	11/3/2020 12:31 PM
21	I feel like expectations are very high.	11/3/2020 12:21 PM
22	I feel the in class students have more freedom than the at home students and we get stuck with more work than the in school students.	11/3/2020 12:20 PM
23	I feel going about school and assignment the same if not more work is fair because students like me are not able to learn at the same pace and understand things while learning remotely when compared to being in person.	11/3/2020 12:16 PM
24	First of all, being at school and being at home are two different things and should be addressed as so. While being at home, it is more difficult to understand what we may be doing at home then in class	11/3/2020 12:10 PM
25	if you miss a class for a good reason you are always marked absent	11/3/2020 10:36 AM
26	People should not have to be seen on their screen because it invades their privacy and dislike being full distance learners	11/3/2020 10:16 AM

27	i don't think i have to have my camera on all the time	11/3/2020 10:16 AM
28	Some kids just learn better in school and are more focused in school.	11/3/2020 9:53 AM
29	Because its mind-numbingly boring to sit in front of a screen for 6 hours a day doing mindless busy work	11/3/2020 9:14 AM
30	Very stressful	11/3/2020 9:11 AM
31	Learning online is much harder and the expectations should be shifted	11/3/2020 9:09 AM
32	That teachers should take their time and teach us slow and well to help us understand more.	11/3/2020 8:58 AM
33	While hybrid things are very different and you can't expect students so understand much when there is little to no interaction	11/3/2020 8:42 AM
34	it's not right that you require us to have our camera on in a non school environment	11/3/2020 8:40 AM
35	the expectations are too high when at home especially since the teacher isn't even paying attention to remote students	11/3/2020 8:39 AM

1	Teacher's won't need to buy materials they already have.	11/11/2020 9:08 AM
2	I really wouldn't want to do that, because my grandparents are both almost 80 years old, and I live with them, so I really really can not risk getting Covid at ALL. Also, distance learning has just been way better for my grades, because i'm doing better mentally not having to be around all the people.	11/11/2020 8:40 AM
3	I do not feel safe with this model. There's no way we can social distance 6 ft part. I do not feel comfortable now in the cafeteria. Returning full time would increase my anxiousness.	11/11/2020 8:09 AM
4	I miss it so much	11/10/2020 10:51 PM
5	It would be a difficult switch	11/10/2020 9:10 PM
6	It's fine (or was)	11/10/2020 6:31 PM
7	I personally think that in person full time learning shouldn't be a problem as long as people follow the rules however I can still see the worries that people would have about this. However that being said I think the 2 days a week in person hybrid model should 100 be done if full time cannot because school 5 days a week at home doesn't even feel like school and it just harder and so different to learn when your not in that environment that we've been in our whole lives.	11/10/2020 6:25 PM
8	it is the best thing	11/10/2020 5:59 PM
9	i dont like it because i cant see my friends at all	11/10/2020 5:03 PM
10	Its kinda dangerous because of COVID	11/10/2020 4:02 PM
11	Stressful	11/10/2020 3:52 PM
12	normal	11/10/2020 3:28 PM
13	Ok	11/10/2020 3:28 PM
14	I do not like it at all	11/10/2020 3:13 PM
15	It's nice actually seeing your teacher, students, and friends.	11/10/2020 2:49 PM
16	happy	11/10/2020 2:45 PM
17	I like it but I still would want to work at home some days.	11/10/2020 2:44 PM
18	right now I feel like it wouldnt be safe	11/10/2020 2:38 PM
19	Easier	11/10/2020 12:56 PM
20	If done safely, it would be preferable to the hybrid model.	11/10/2020 12:43 PM
21	I learn better	11/10/2020 12:33 PM
22	I like in person learning much more	11/10/2020 12:17 PM
23	Idk	11/10/2020 12:16 PM
24	I need it.	11/10/2020 12:13 PM
25	I like it better than hybrid	11/10/2020 12:05 PM
26	it's ok, but not the best. personally i don't like masks even though their mandatory and i would like to be normal again	11/10/2020 11:59 AM
27	It's boring	11/10/2020 11:59 AM
28	Big Risk	11/6/2020 2:25 PM
29	It would be better for learning, but would be hard to adjust to.	11/6/2020 12:02 PM
30	I don't think it is safe right now.	11/6/2020 11:39 AM
31	I feel that i learn better because with the technology issues it stops our learning time.	11/6/2020 10:03 AM
32	I like it I just dont like the fact that we have to wear masks and not see all of our friends and	11/5/2020 8:24 PM

	classmates	
33	I want to open and be with my friends while interacting and have an enjoyable senior year because this year is a big year for the graduating class of 2021.	11/5/2020 12:31 PM
34	Ridiculous. This virus isn't going away anytime soon	11/5/2020 11:23 AM
35	This is extremely important for kindergarteners	11/5/2020 10:43 AM
36	If I were to go back to school I would be at such a risk for the virus so I would not like going back to school currently in these conditions.	11/5/2020 9:46 AM
37	it's not a bad thing, some parents are just more cautious	11/5/2020 8:37 AM
38	It is a better experience	11/5/2020 8:17 AM
39	easier to understand than online	11/5/2020 8:01 AM
40	I think that in-person full time learning would not be a good idea yet. I am worried about getting sick and I don't think that increasing the amount of students in the building would be a good idea for anyone.	11/5/2020 7:43 AM
41	it's scary now that the number of cases are spiking up again	11/4/2020 7:37 PM
42	I miss it. I need to be able to ask my teachers questions.	11/4/2020 5:33 PM
43	I want to go back to school full time	11/4/2020 5:23 PM
44	idk it will prob become unsafe	11/4/2020 4:05 PM
45	It's great minus the time management some teachers have	11/4/2020 12:50 PM
46	i dont have any	11/4/2020 12:07 PM
47	dont have any	11/4/2020 11:30 AM
48	would be great. can stick to a solid, non confusing schedule and would be able to focus and complete assignments on time easier	11/4/2020 11:20 AM
49	i wouldn't mind going back to this, i would probably receive higher grades and understand more	11/4/2020 10:47 AM
50	We should not be in school at this time.	11/4/2020 9:39 AM
51	its horrible, the whole virus thing especally with increased cases and that theres been confirmed cases in school	11/4/2020 9:29 AM
52	It is worse than remote learning besides the social aspect	11/4/2020 9:26 AM
53	It would be a terrible idea at this time	11/4/2020 9:02 AM
54	I think it is a good idea.	11/4/2020 8:55 AM
55	its wack	11/4/2020 7:53 AM
56	We should not go into in-person full time learning because Seymour is getting more cases, so going back will only make this much worse	11/4/2020 7:26 AM
57	I would like to have full time learning because i get to see and interact with more people.	11/3/2020 8:42 PM
58	Worried about COVID, other than that ok	11/3/2020 8:15 PM
59	Ready to go back to full time but still feel we need one day where everyone goes virtual.	11/3/2020 7:25 PM
60	I think it could be challenging for some students but in my opinion I liked how we did it last year because I was able to do my work almost fully on my own schedule and not have to worry about getting online at a certain time and was not stressed about strict due dates	11/3/2020 6:47 PM
61	In think that that would be a huge risk that I wouldn't want to go back	11/3/2020 6:24 PM
62	I like it much better, but I feel like hybrid is necessary for everyone's safety.	11/3/2020 6:13 PM
63	that would be dangerous and awful	11/3/2020 6:01 PM
64	I think that, as of now, it is not a smart thing to do. Covid19 is on the rise is several states and	11/3/2020 5:00 PM

	it is risky to attend, 6 FT. or not.	
65	I love it. I can sleep later and be more comfortable and I am still learning what I need to. I don't feel as stressed out and tired.	11/3/2020 4:52 PM
66	It's not something that should be rushed. A lot of high school students actually enjoy the hybrid model as we get to socialize with our friends in person, but also be in the comfort of our homes.	11/3/2020 4:46 PM
67	Its easier to learn the material we are to be taught.	11/3/2020 4:42 PM
68	They are stressful	11/3/2020 3:59 PM
69	its not safe	11/3/2020 3:40 PM
70	its easier cause the teachers can stop being	11/3/2020 2:54 PM
71	I would feel uncomfortable with all of the people around me especially in the cafeteria	11/3/2020 2:30 PM
72	Much more comprehensive than distance learning.	11/3/2020 1:59 PM
73	it is necessary	11/3/2020 1:59 PM
74	At this time in life, it is a bit scary and almost unrealistic in my eyes. Cases go up almost everyday, Seymour is in the orange for the color-coded system of cases, and I have nearly 20-30+ students in each of my classes, making it seem nearly impossible to be safe. I understand masks will be worn, but it does not seem super safe at this time.	11/3/2020 1:57 PM
75	While there are some hiccups, generally, it is the same as normal school learning except for certain measures that need to be taken for the safety of ourselves and the people around us.	11/3/2020 1:56 PM
76	it's too unsafe. some students do not take the virus seriously and i refuse to entrust my and my family's health unto my peers, some of which i know have been extremely irresponsible and have gone to parties and not taken covid seriously.	11/3/2020 1:56 PM
77	Its good because it is much more like schooling should be. In-person with actual face to face teaching occuring.	11/3/2020 1:55 PM
78	I want to go full time in school because its a better learning environment.	11/3/2020 1:55 PM
79	Should not happen. We are doing good the way we are now because of what we are doing and the precautions we are taking. Don't change it and mess everything up.	11/3/2020 1:53 PM
80	The best. I need it to learn.	11/3/2020 1:53 PM
81	Swiss cheese is bad	11/3/2020 1:49 PM
82	risky because of covid	11/3/2020 1:48 PM
83	I would like it but if we did that Covid numbers might go up and then we would probably have to go back to full distance learning anyways.	11/3/2020 1:48 PM
84	I think it isn't the best option for the situation right now.	11/3/2020 1:47 PM
85	*brap* *brap* Oh gosh I am so sorry	11/3/2020 1:47 PM
86	it blows because i have to hide my farts	11/3/2020 1:47 PM
87	tiring	11/3/2020 1:47 PM
88	i have nothing it is great	11/3/2020 1:45 PM
89	no	11/3/2020 1:43 PM
90	Would love to if it is safe	11/3/2020 1:42 PM
91	I would like it so we can claberiate wih are whole class.	11/3/2020 1:32 PM
92	In person full time learning shouldn't be something that's being even thought of as of right now due to the spike in cases	11/3/2020 1:23 PM
93	I do not think it is a good idea as of now with the amount of cases rising. I think we need to get this under control before we go back to in-person full time learning.	11/3/2020 1:19 PM

94	More focused	11/3/2020 1:19 PM
95	its easier	11/3/2020 1:15 PM
96	It's fine	11/3/2020 1:15 PM
97	its fine but I wish we could do more	11/3/2020 1:14 PM
98	Should happen only if deemed safe.	11/3/2020 1:14 PM
99	Unsafe and not working	11/3/2020 1:14 PM
100	Necessary to achieve success	11/3/2020 1:12 PM
101	It can be very effective at times.	11/3/2020 12:48 PM
102	I'd like to return soon, but only if covid cases go down significantly.	11/3/2020 12:31 PM
103	i don't know if that would be a smart move	11/3/2020 12:29 PM
104	better, easier	11/3/2020 12:25 PM
105	none	11/3/2020 12:25 PM
106	Not a fan	11/3/2020 12:21 PM
107	I want that because it will be easiuer to get better grade.	11/3/2020 12:20 PM
108	Mask can be annoying, but overall learning environment is still good.	11/3/2020 12:20 PM
109	If everyone did in person full time we would get a covid-19 outbreak quickly.	11/3/2020 12:20 PM
110	I enjoy it much more than distance learning	11/3/2020 12:18 PM
111	Could be un-safe, and not meet social distancing requirements.	11/3/2020 12:17 PM
112	I learn more in person	11/3/2020 12:17 PM
113	Although it could cause cases to rise I feel students need to be in school to get the full benefit of our education	11/3/2020 12:16 PM
114	idk	11/3/2020 12:16 PM
115	Nothing	11/3/2020 12:10 PM
116	Everything is fine with in school learning.	11/3/2020 12:05 PM
117	I feel like it would be eaiser for the students because its eaiser to pay attention in school than at home.	11/3/2020 11:07 AM
118	It is ok it can be approved by giving us less screen time and less work.	11/3/2020 11:07 AM
119	I would love to go back, but instead of just throwing a bunch of kids back together why not just lessen restrictions within cohorts like increasing the number of people in the bathroom, getting rid of one way stair cases, and getting rid of only four people to a lunch table. There's no way to avoid these social gatherings if we go back full time, we should accommodate now with less people.	11/3/2020 10:57 AM
120	Safety issues and social distancing issues	11/3/2020 10:48 AM
121	That teachers can explain subjects and areas that students don't understand more easily.	11/3/2020 10:48 AM
122	I wouldn't feel safe while Covid-19 cases are high.	11/3/2020 10:48 AM
123	way better for almost everyclass i have i hate having to do construction and robotics online	11/3/2020 10:44 AM
124	Everything is just work and nothing engaging about it	11/3/2020 10:43 AM
125	It would be great, especially for sports but I don't know how it will work	11/3/2020 10:43 AM
126	better than at home, keeps me more focused in school	11/3/2020 10:42 AM
127	I can see things better and it is easier to ask questions and take notes. I prefer it.	11/3/2020 10:42 AM
128	Stressful hard wearing a a mask all day	11/3/2020 10:38 AM

129	I think it would be better for learning	11/3/2020 10:36 AM
130	it's better than homeschooling because it actually teaches you something and doing work from home is just answering a bunch of questions.	11/3/2020 10:32 AM
131	I feel like it would be better for learning	11/3/2020 10:26 AM
132	I wish social distancing would be able to work as well as it does in the hybrid model.	11/3/2020 10:26 AM
133	I don't think it's a good idea.	11/3/2020 10:21 AM
134	I don't think the highschool should do it	11/3/2020 10:20 AM
135	I feel it's a bit dangerous with the rise of covid currently.	11/3/2020 10:16 AM
136	Very unsafe	11/3/2020 10:16 AM
137	I only want to do it if it is safe for everyone involved	11/3/2020 10:12 AM
138	I want to do it, it will be beneficial to my learning.	11/3/2020 10:11 AM
139	Not a great idea for now, the risk is too high, but needed in the near future	11/3/2020 10:09 AM
140	Better than online, since it's easier for me to stay engaged	11/3/2020 10:08 AM
141	Don't think it's a good idea	11/3/2020 10:05 AM
142	It is way to dangerous especially with the way things are going	11/3/2020 10:05 AM
143	do not want to do it. will spread virus.	11/3/2020 10:02 AM
144	not good because of covid 19	11/3/2020 9:58 AM
145	I think that it is unsafe and we shouldn't do it at the current moment. Covid cases haven't slowed down really so I think going full distance is still the best option.	11/3/2020 9:53 AM
146	Beneficial	11/3/2020 9:14 AM
147	It's normal school	11/3/2020 9:13 AM
148	it would be amazing and the best situation	11/3/2020 9:12 AM
149	Shouldn't happen, not safe	11/3/2020 9:11 AM
150	It does not make sense seeing as that covid cases are increasing especially in seymour	11/3/2020 9:08 AM
151	None	11/3/2020 8:58 AM
152	i would like it because i dont like distance learning	11/3/2020 8:57 AM
153	It's good	11/3/2020 8:57 AM
154	Unsafe	11/3/2020 8:44 AM
155	The Best Thing	11/3/2020 8:43 AM
156	I like in person better because yea hers are more interactive then	11/3/2020 8:42 AM
157	it would be good	11/3/2020 8:40 AM
158	Should not happen because our case numbers are just going up with only half the student population	11/3/2020 8:39 AM
159	I think it would be really good for a lot of people. It's hard to work on distance, and even though hybrid isn't that bad, I'd see myself succeeding more when I'm fully in school	11/3/2020 8:37 AM
160	I don't like it because I don't like wearing masks	11/3/2020 8:37 AM
161	not needed because all we do is busy work	11/3/2020 8:37 AM
162	there would be no way to social distance	11/3/2020 8:35 AM
