November 1, 2020

Good Afternoon All,

We just wanted to let you know that unfortunately two of our students have tested positive for Covid 19. We wish them a speedy recovery.

The students were not in school on Thursday or Friday due to our hybrid model, however these two students are student athletes and as such their participation in sports has an impact on both our Girls Soccer and Boys Football programs. This means that these sports will be shut down for the next two weeks.

Student Athletes and Coaches from these teams will be contacted by our Head Nurse as well as our High School Nurse in order to instruct these individuals to quarantine as a precautionary measure for the next 14 days.

Thank you,
Michael and Vonda
