

03/18/20

Good Morning Seymour Families,

As a result of the overwhelming response to people requesting technology. We will still be distributing the chromebooks as a grab and go model at Seymour Middle School over the previously identified days, but we will need to follow this schedule in order to minimize traffic jams and to keep things moving in an orderly fashion. Today from 12:00pm - 3:00pm we will be handing out to students whose last name starts with an A through J. Tomorrow from 4:00pm - 6:00pm we will be handing out to students whose last name starts with a K through Z. **And on Saturday, we will be handing out to anyone who could not make the previous days between 10:00am and 1:00pm.**

Since we received some questions on devices last night, we wanted to remind you that any device that is able to access Google Apps will work for our students to access their assignments. At this time, since we have over 550 requests, we are kindly asking that families share chromebooks between their children whenever possible to make sure we have chromebooks available for everyone to start week 1. If after March 27th you feel as though one chromebook is not enough please notify central office and we will offer another pickup day at a location to be determined later. Please see the suggested chart below:

1 or 2 Children	Request 1 Chromebook to start
3 Children	Request 2 Chromebooks to start
4 Children	Request 2 Chromebooks to start
5 Children	Request 3 Chromebooks to start

Sincerely,

Michael Wilson

Superintendent
