

March 9, 2020

Good Afternoon Families,

Seymour Public Schools continues to be in contact with our local and state health departments. Our agencies continue to monitor the risk of any potential exposure whether it be travel or contact with a known infected person. We will continue to update our website and share information as it becomes available.

In terms of additional information, the State of Connecticut has partnered with the United Way to help answer any questions that you may have. You can text the number 898211 and put CTCOVID in the message box. The 2-1-1 hotline is also available 24 hours a day and has multilingual and hearing-impaired assistance available as well.

If you have any additional questions, please feel free to call me at Bungay School.

Thank you,

Rebecca Bennett RNC
Seymour Public Schools Head Nurse

Jessica Stelmaszek, MPH
Naugatuck Valley Health Department, Director of Health

Michael Wilson
Superintendent of Seymour Schools
