   - Seasonal Produce

3. Choose 1 Milk
   - Fat Free & Fat Free Flavored Milk
   - Low-Fat White

As a rule, Americans don’t eat enough beans! Beans are the best plant source of protein and contain little of the fat and cholesterol that accompany the protein in meat. Beans also provide more fiber than almost any other plant food and nearly as much calcium as milk. Plus, beans’ slow release of glucose makes them a superfood for people with diabetes. Wow!

A TASTY MORSEL FOR PARENTS
